

# CALLING ALL VOLUNTEERS

We're looking for volunteers to work with students (K - 8th) for our summer camps & Explorer Clubs!

Opportunities open to:

- High School Students (15 years old+)
- College Students
- Seasoned Scientists

If you're interested, please email Emma Rose at [emma@clcnwi.com](mailto:emma@clcnwi.com) for more information!

(219) 989 - 3250  
2300 173RD STREET, HAMMOND  
IN 46323

## Are you looking for a way to earn school credit hours or give back to your community all while helping to inspire the next generation of scientists?

*We'd love to have you join our crew for select days this summer to work with students in grades K - 8 during summer camp and summer Explorer Clubs!*

*Our summer camps are week-long programs that start at 9 am, and are filled with fun, recreational STEM & space activities. Explorer Clubs are 2 hour long programs for local camp groups like the YMCA, Boys & Girls Club, & more!*

### 2025 Dates:

**Senior Camp (4th - 6th Grades)** - June 9 - 13, July 7 - 11

**AstroTots (K & 1st Grade)** - June 16 - 20, July 14 - 18

**Junior Camp (2nd & 3rd Grades)** - June 23 - 27, July 21 - 25

### Responsibilities Include:

- Escorting students throughout Challenger Learning Center of NWI
- Helping children with activities that require advanced fine motor skills
- Monitoring students during break times & outdoor activities
- Facilitating group activities alongside Challenger's STEM Educators
- Providing directions and assistance to students

## **Mandatory Volunteer Orientation Informational Meetings will be held in May and/or June 2025.**

*Note: Before working with minors, CLCNWI will have to conduct a background check on all volunteers*

### How to Sign Up or Get More Information:

- Call (219) 989-3250 to speak with Emma Rose
- Send an E-mail to Emma Rose at [emma@clcnwi.com](mailto:emma@clcnwi.com)
- Visit our Website <https://www.clcnwi.com/contact-us/volunteer.html>
